

# Infusing the National Arts Standards into the NJ Arts Standards

February 9, 2015; 9 am - 3 pm  
at Foundation for Educational Administration  
Conference Center

## *Presenters: New Jersey Arts Education Partnership*

In this session we will explore the question, “How can the new National Arts Standards inform the vision for the future of arts education in New Jersey?”

Bringing together members of the Writing Team for the National Arts Standards with NJ experts in dance, music, theatre, visual arts and media arts, the panelists will provide an overview of the process and philosophy of the new standards and facilitate discussions with the participants regarding the implications of moving toward the vision of the new National Arts Standards.

By convening school leadership from New Jersey’s public schools, the New Jersey Arts Education Partnership hopes to gain insight into the practical implications of standards revision that will inform our future work as a coalition of concerned stakeholders.
